# **ENGLISH LABOR DEMANDS BIG** TAX ON WAR PROFITS

Annual Conference in January to Call for 25 Per Cent Levy on Capital Wealth of Country.

VOICE AT PEACE CONFERENCE

Wishes Direct Representation at All Conclaves and Sanctioning of Responsible Labor Gatherings With Democratic Ideals.

LONDON. November 29.—British labor's attitude toward war and peace will be the chief subjects of discussion at the odeon to-day in William S. Hart, at the Cabor party, beginning January Arbuckle, in "The Butcher Boy." This Advance copies of the Agenda. which have just been issued, contain important sidelights on what, it is believed, may prove to be a meeting of morrow and Saturday the added fea-world wide, if not revolutionary, con-sequence with regard to the relations Hart, who is to be seen in "Horns and betwoen capital and labor.

party, which says, in effect, that labor's the mass of the people. The resolution Slacker." adds that "Neither has the association Double Bill at Isls. of the Labor party with the govern-

derson from the War Cabinet when acting in perfect accord with the decisions of the Labor party, prove that compatible." It will, therefore, he terest from start to finish. urged by the Socialists that members "The Lone Walf" at Bijou. of the Labor party now holding office be withdrawn.

the old method of diplomacy which settled the international relations of the peoples without consulting, or even Montagu Love and Dorothy Kelly are the peoples without consulting, or even inferming, them; but with statesmen, who have used victories to impose terms of peace which left suspicion, hate and resentment behind, which the Bohemian art center of Paris. were followed by military alliances and armaments, and which violated the Smiling June Caprice armaments, and which violated the principles of self-government in order to satisfy military demands and imperialist appetites; it, therefore, calls upon the government, if the sacrifices of the war have not been in vain, to provide for the direct representation of the organized democracy in every conference which discusses the condition of peace, to reject war aims which tion of peace, to reject war aims which prives the war the character of an imperialist venture, and to use its inproduction of "Roping Her Romeo." Suence and authority in every possible which will be the added feature on the way to remove the causes of war. To same bill, this end the conference declares that o obstacle should be put in the way of responsible representatives of labor conferring together with a view to arriving at such an understanding upon the problems of Europe, as will receive the co-operative support of all the Gemocracles, without which there can be story that the stray that

Other resolutions to be submitted criticize the government's handling of food supplies, and urge as a remedy that a supplies, and urge as a remedy pictures, and no one should miss it. that distribution be made on a family basis, of share and share alike."

Perhaps the most revolutionary of Zena Keefe and Allan links are the the resolutions is one by the stars in "One Hour." a picture of Amalgamated Society of Engineers, ADVISES HEAVY LEVIES

ON ALL WAR PROFITEERS "This conference, recognizing that the gresent system of financing the war has resulted in giving to the rich not only excessive profits during the war, but also a constantly increasing claim upon the national income after the war in the form of interest, calls upon the government to impose at once a lew of 25 per cent on the whole capital wealth of the country, to be levied on all persons in possession of more, than 11,000, to be followed by further levies for the purpose of extingutshing the national debt, and compelling the rich classes to repay the nation the wealth which they have acquired, not in return for service rendered, but as the result of an unjust and gleious economic system."

A second resolution by the same organization advocates "the complete nationalization of shipping and trans. port" as well as the following: "State purchase and control of all

essential raw materials and foodstuffs. "The fixing of maximum, but not of minimum, prices for all essential commodifies, both for the government and for the civilian consumer.

"Tip elimination of all unnecessary middlemen's profits. The full utilization by the government of the resources of the co-opera-

tive movement for the purposes of dis-"Tige complete abandonment of the

policy of bounties and su' dies to capitalist producers and t' Astitution of a system by whi, duction is stimulated, not by boun. . but by increased state control of agriculture and industry."
